Sprint 1 Report

Product: Slug Hero
Team: Slug Heroes
Date: 2/3/2016

Actions to stop doing:

- Being late to the SCRUM meeting
- Skipping meetings without informing other team members
- Making too many changes in one branch
- Making changes directly to master rather than checking out a branch

• **Actions to start doing:**

- Work in own branches and then use pull requests into master to limit merge conflicts.
- Communicate what tasks individual members will take so there isn't any overlap in work.

• **Actions to keep doing:**

- Using Slack to keep in contact.
- Meeting regularly to keep everyone on the same page.
- Keeping up the good work! :D

• **Work completed/not completed:**

- created user login page / function
- designed database schema for the data model
- Created section for each department
- Enabled login users to create section for courses and under a department section
- implemented the professor review page
- implemented the textbook exchange page
- implemented class page that shows all classes that have been offered for a given course.

Work not completed:

- Wasn't able to implement a class discussion page.

• **Work completion rate:**

- Total number of user stories completed during the prior sprint: 7 user stories
- Total number of estimated ideal work hours completed during the prior sprint: 50 hours
- Total number of days during the prior sprint: 21 days
- For the previous sprint, the user stories/day and ideal work hours/day: 0.33 user stories /day
